

Parents & Players: We have partnered with Triple Digit Speed Pitch for a fun, easy fundraiser for our org.

How does it work? Participants get pledges, forms turned into Triple Digit at our “speed kick” event. Triple Digit puts on event, contacts pledges to collect funds! Parents are not asked to collect any money. Easy!

FAQs: Pledges can be “per mph” based on player’s top speed, OR a “flat” amount. If it’s easier for you (parent/player) to collect the funds you **can do so** (put your contact info. on pledge lines) but it is not required.

Player: _____ **Parent/guardian name & phone:** _____

T-shirt Size: _____ **Event Date:** October 27th, 6p-8p (teams get time slots) **Team & Coach** _____

Rules: Players receive multiple chances to reach their best speed, top speed determines pledge amount. At least 1 pledge required to participate.

Optional: Would you like us to take a short video of them participating, and send to you? (Y/N)? _____
